**Subject:** Courtenay Wind Farm, LLC (Case No. PU-13-64): Clarification Regarding Hearing Exhibit 4

Hi Jerry,

You requested clarification regarding the occupancy status of Residence Y on the Home Setbacks, Turbine Locations map and the Distance Between Homes and Nearest Turbines chart provided in Hearing Exhibit 4. The owner of Residence Y provided us with a letter dated June 28, 2013 stating that Residence Y no longer exists and there is not a livable structure located on the parcel (NW1/4 of Section 8, Township 142 North, Range 62 West). Thus, Residence Y should not have been included on the map or the chart provided in Hearing Exhibit 4. I apologize for any confusion this inadvertent error may have caused.

Please let me know if you need anything else.

Thanks.

Patrick
